

# WRATH AND RUIN

A COLORING BOOK

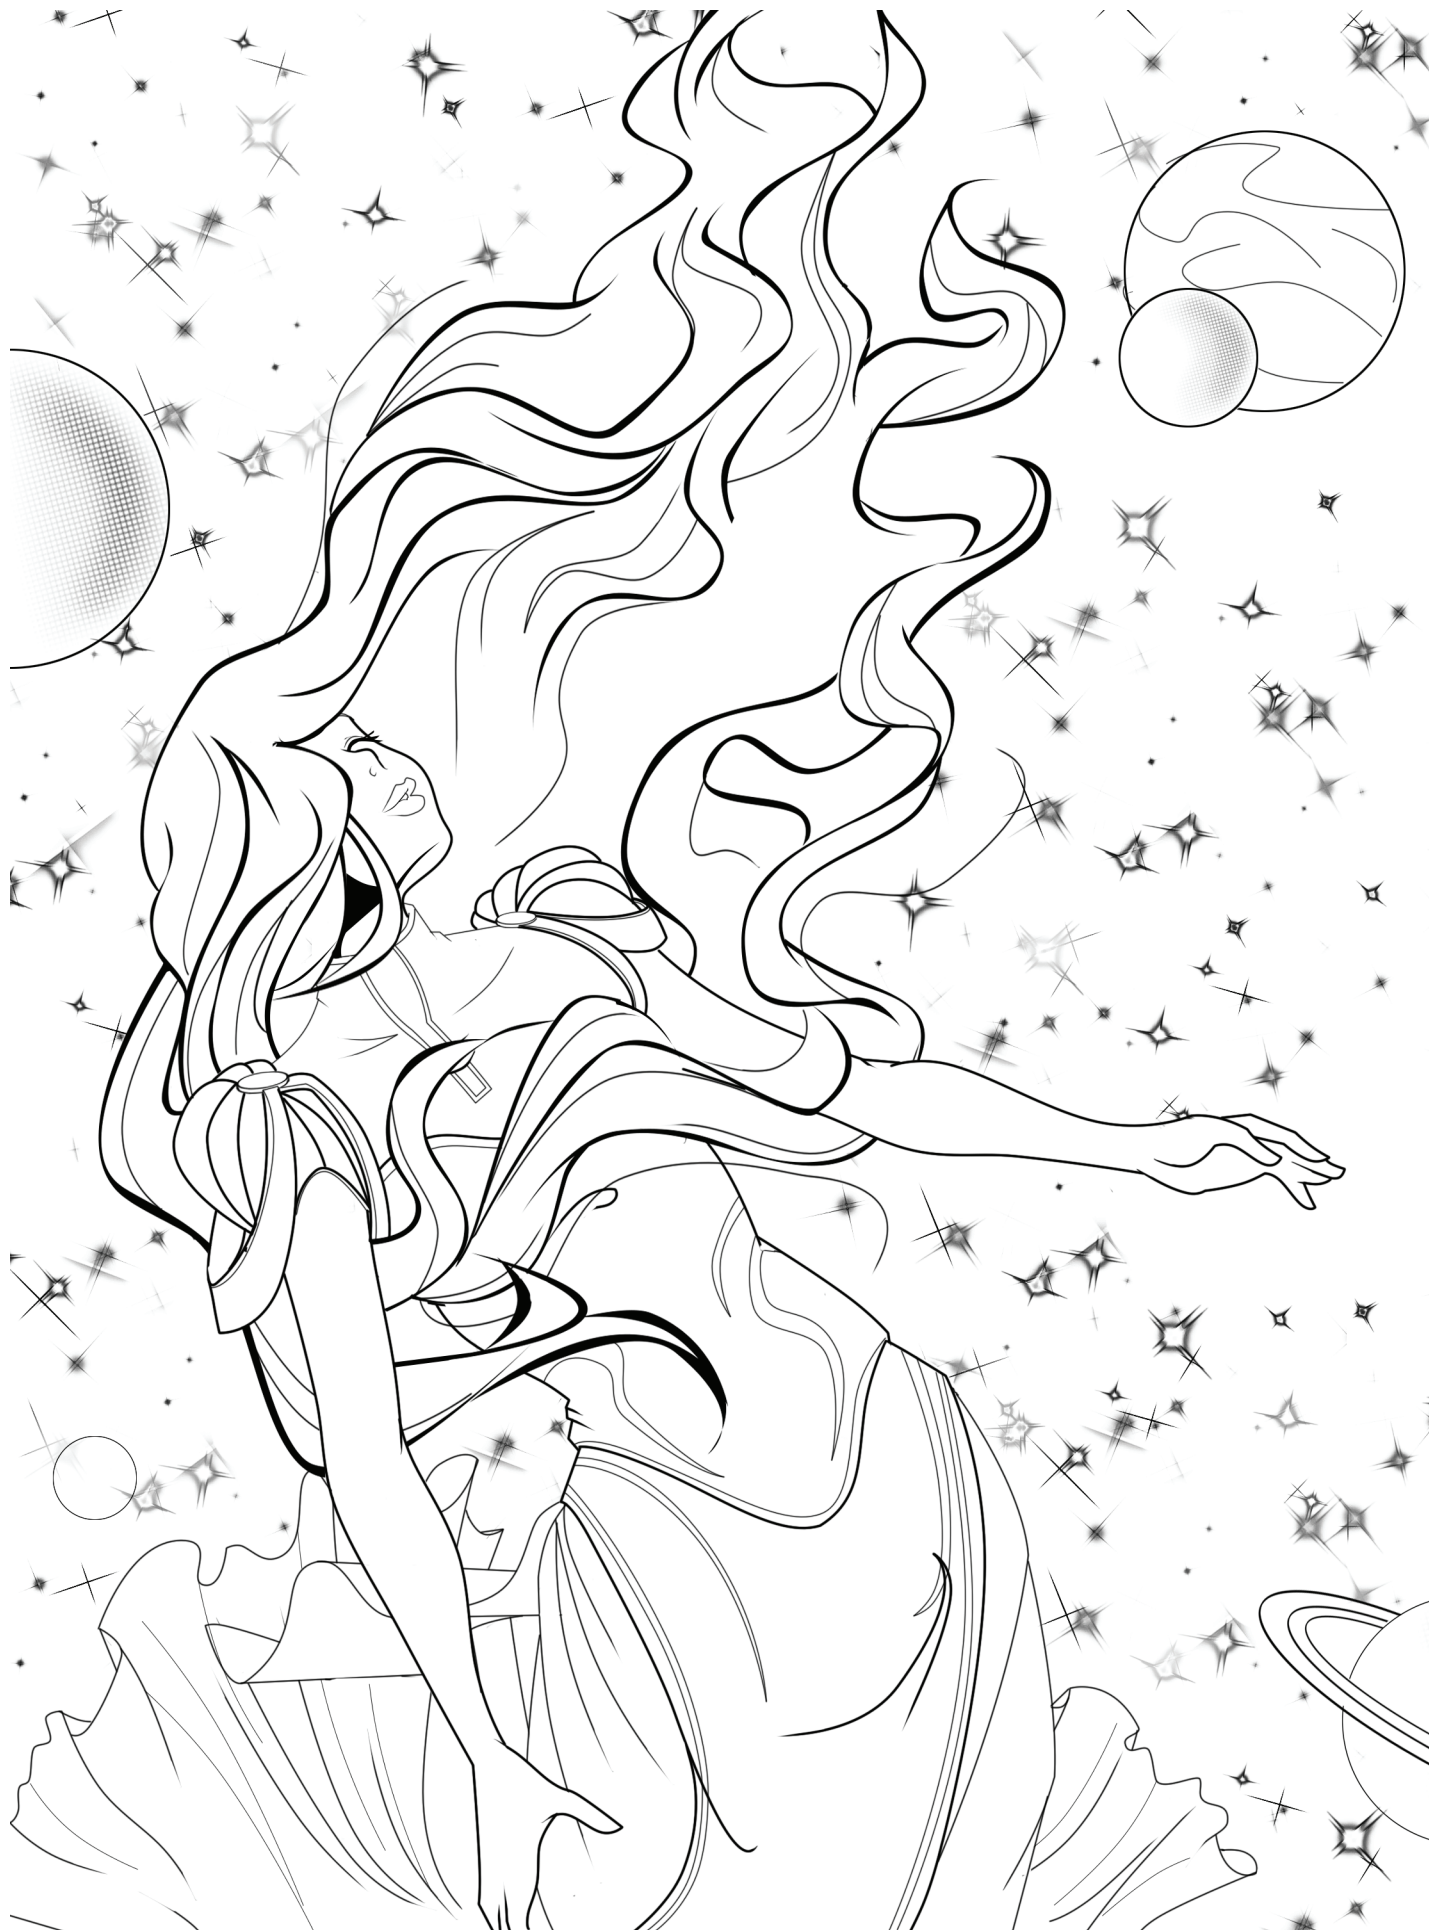

Illustrated by Jackie Sheats

# OUR DARK STARS

BY AUDREY GREY &  
KRYSTAL WADE

**Sleeping Beauty meets Star Wars, for fans of Claudia Grey and S.J. Kincaid. When princess Talia's royal family is assassinated, she escapes into space—only to awaken a century later kidnapped by droids, in a world where humans are now enslaved by the machines they once ruled over.**

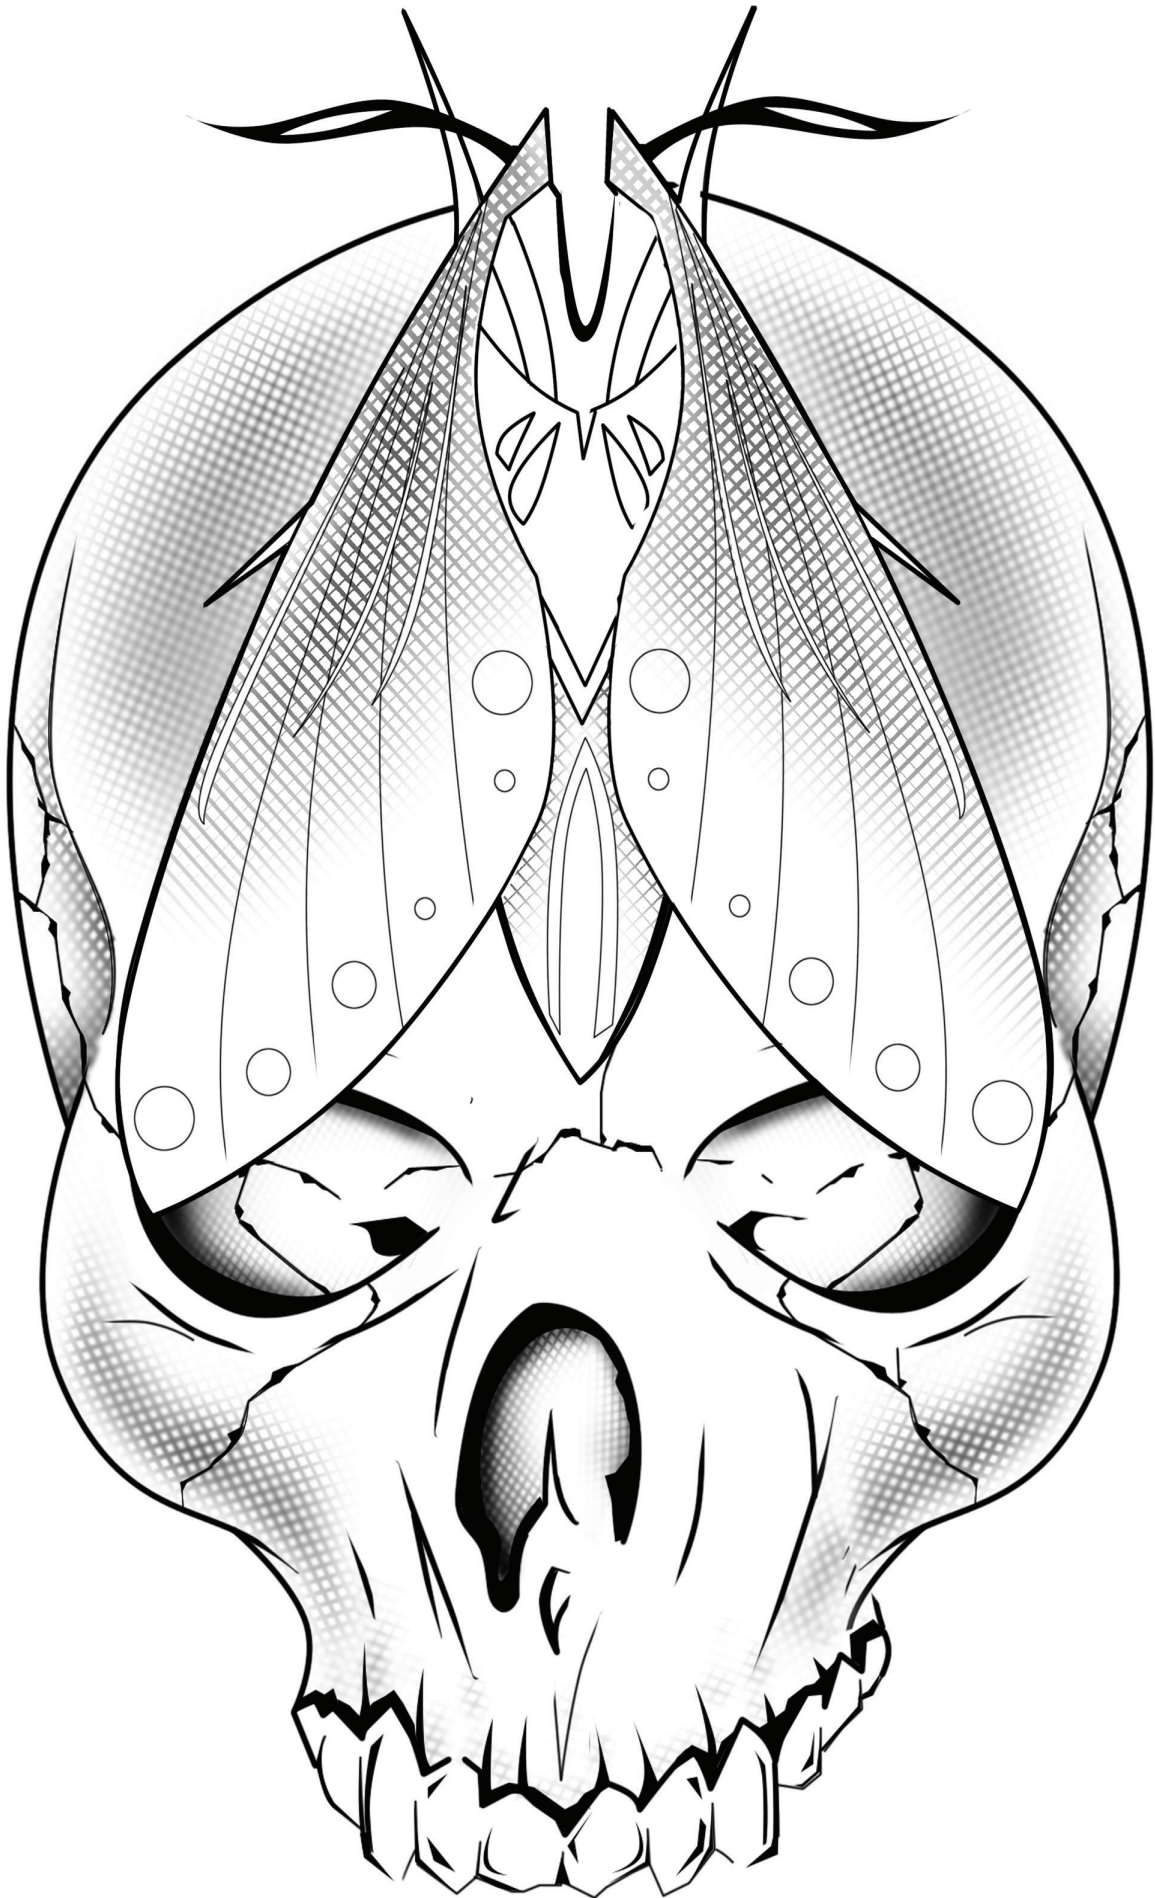

# THE FOREVER GATE

BY ISSAC HOOKE

One man infiltrates a tyrannical alien regime and traverses multiple realities in a daring attempt to save his daughter from certain doom.

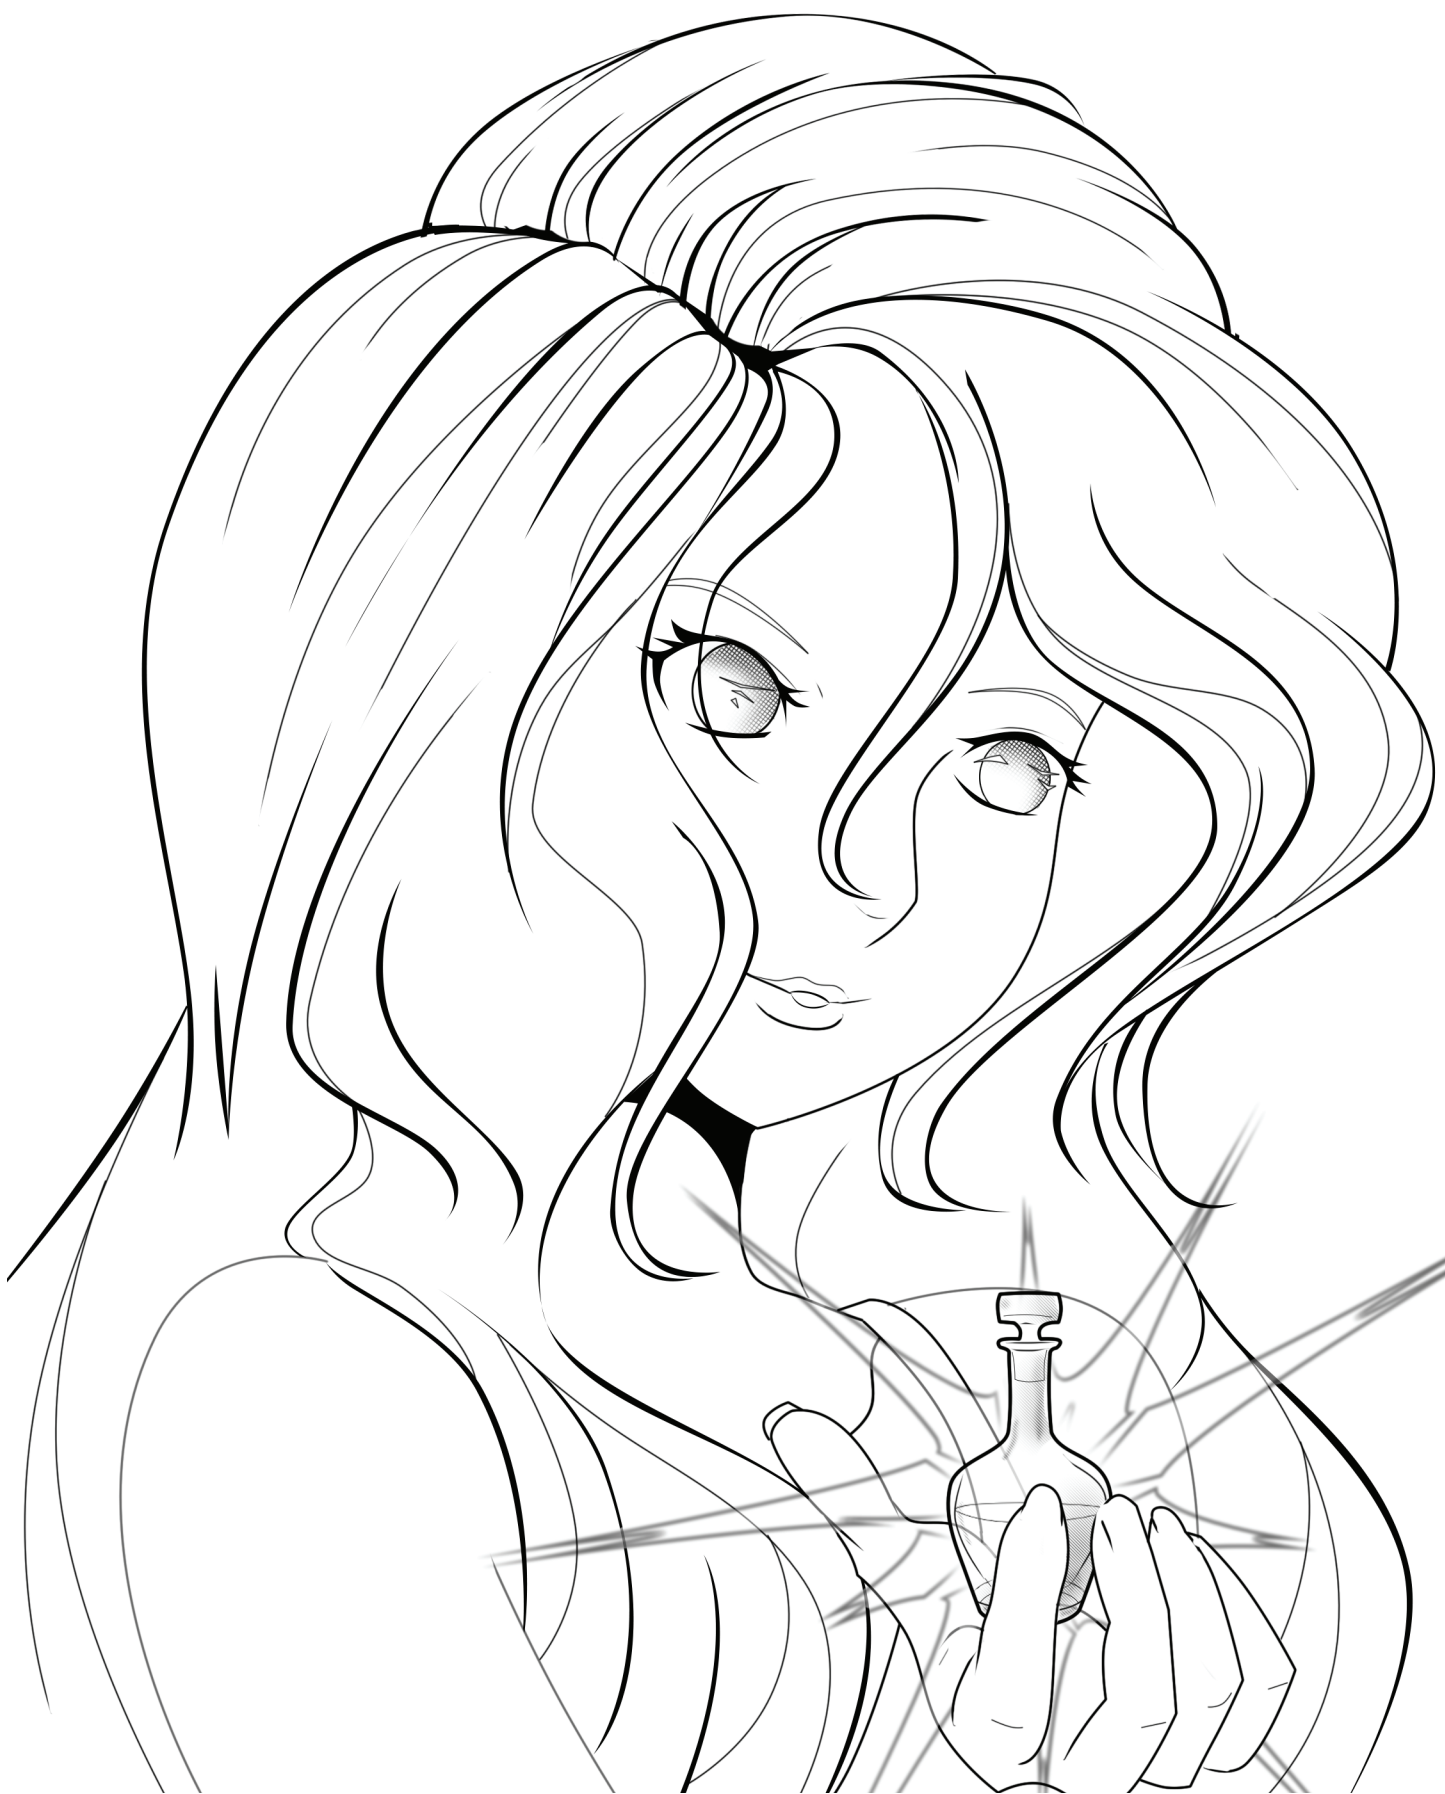

# **SUCH A SECRET PLACE**

BY CORTNEY PEARSON

**When a girl discovers a vial of enchanted tears she becomes the target of the tyrannical Arcaian army and finds herself on the run.**

# THE BOOK OF THE GODS

BY PAMITA RAO

**One source of power is never a good thing.**

# **WHEN THE GODS LAUGHED**

BY LYDIA SHERRER

**If you give a man the power of the gods, you  
shouldn't be surprised when he uses it against you.**

# A SKY OF SHATTERED STARS

BY ALI WINTERS

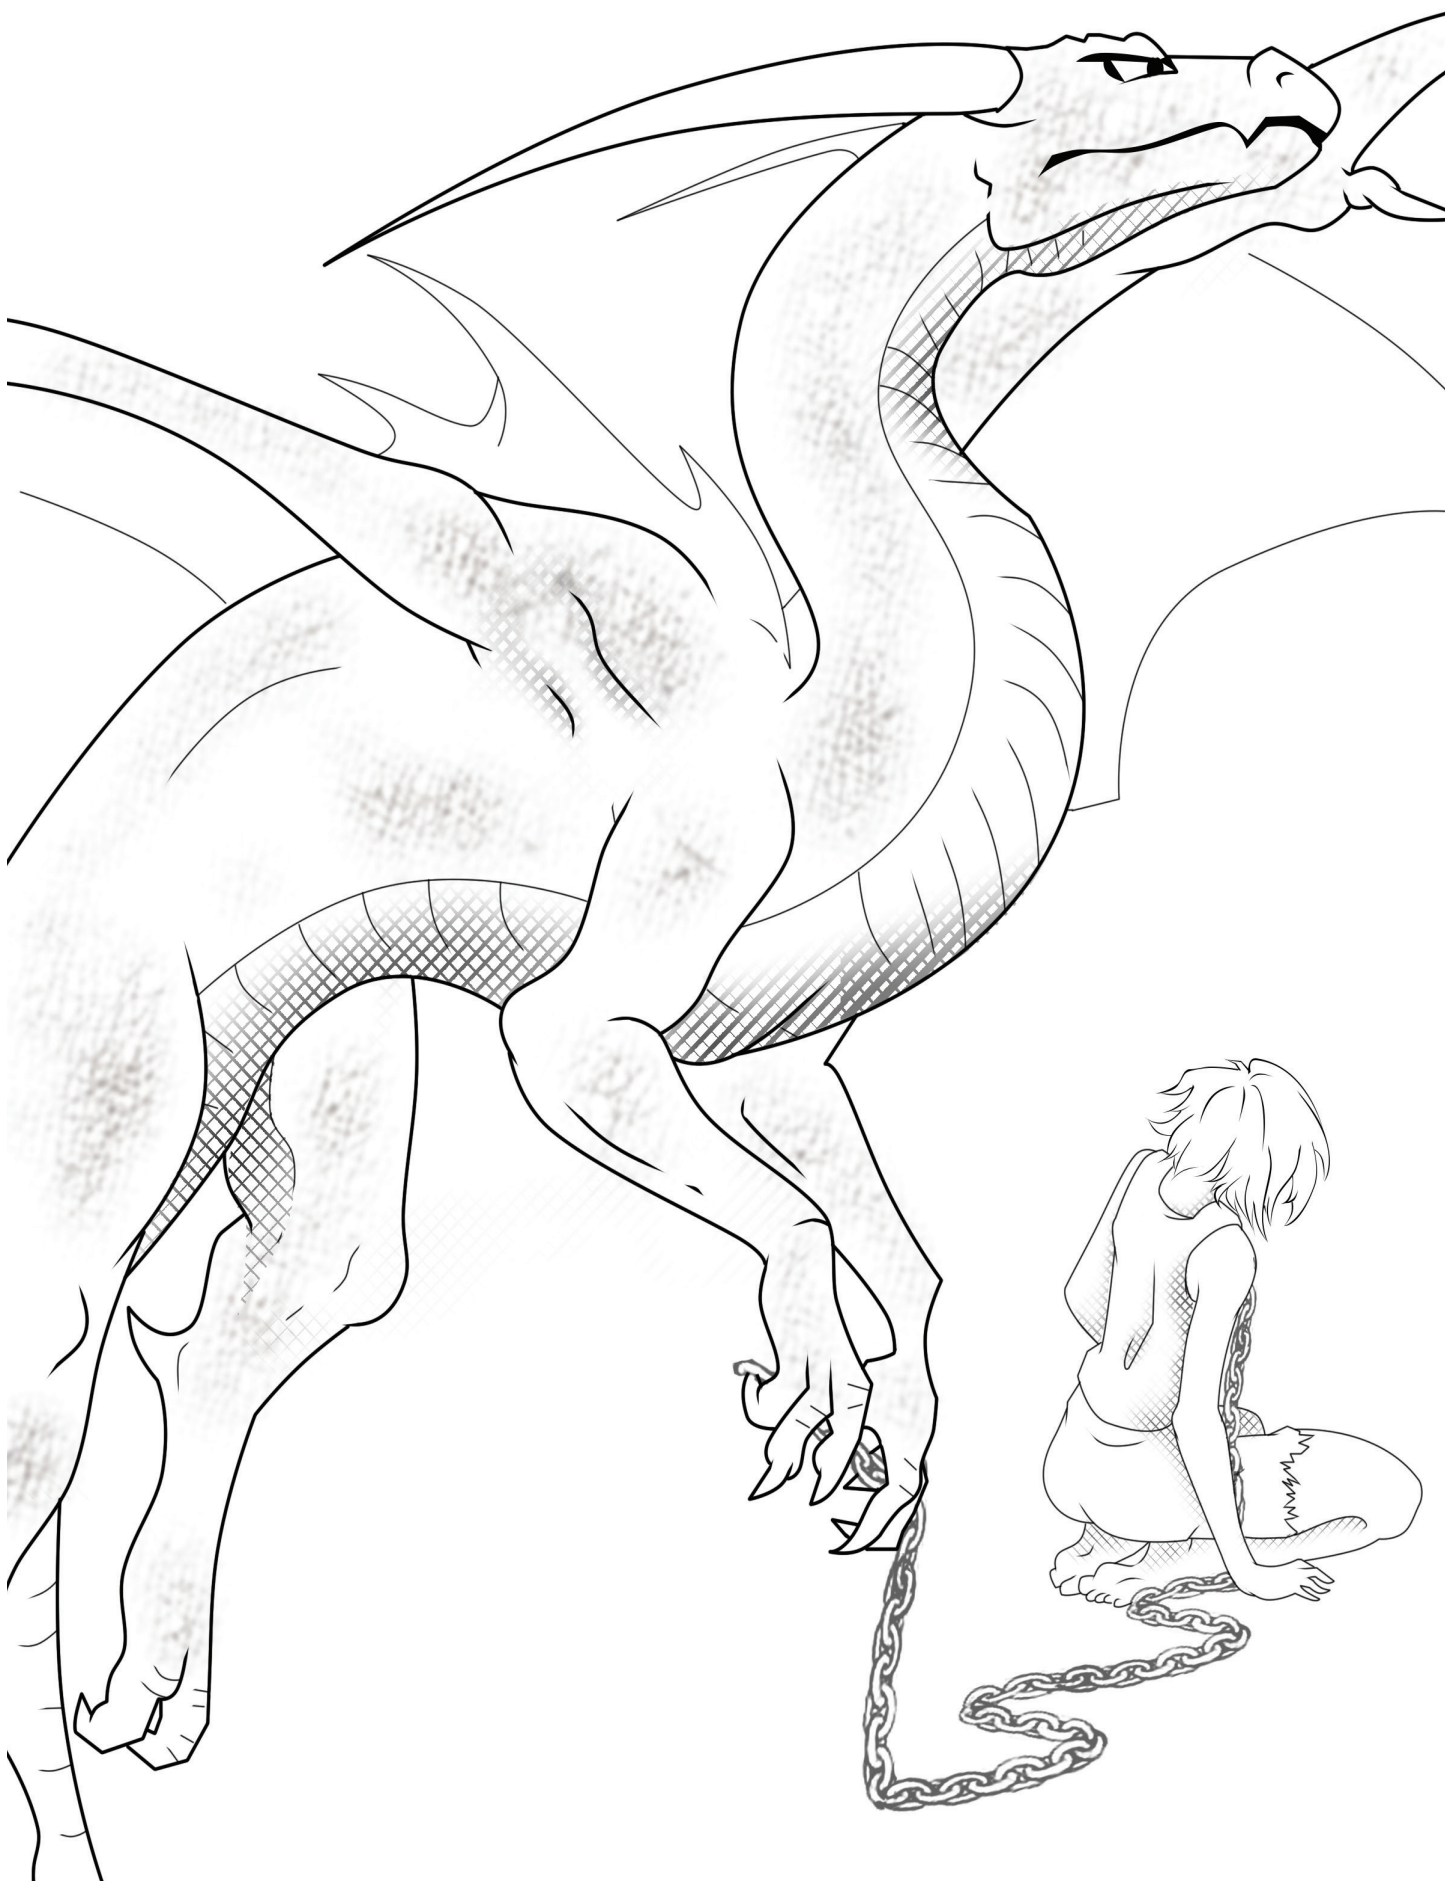

**A Tree of Ages meets The Grisha Trilogy.  
Kingdoms will fall. Worlds will shatter. And  
darkness will reign.**

# THE FLAMES OF DEATH

BY NICOLE ZOLTAK

**In a world where dragons rule the skies, the land  
and the sea, one human slave will dare to rise up  
against them.**

# **A BOND OF DESTINY AND DRAGONS**

BY KAREN TOMLINSON

**When kings and gods fall, a queen will rise. The game of war is changing, and the destiny of two friends will alter the world forever.**

# THE ORDER OF ST. MICHAEL

BY JB MICHAELS

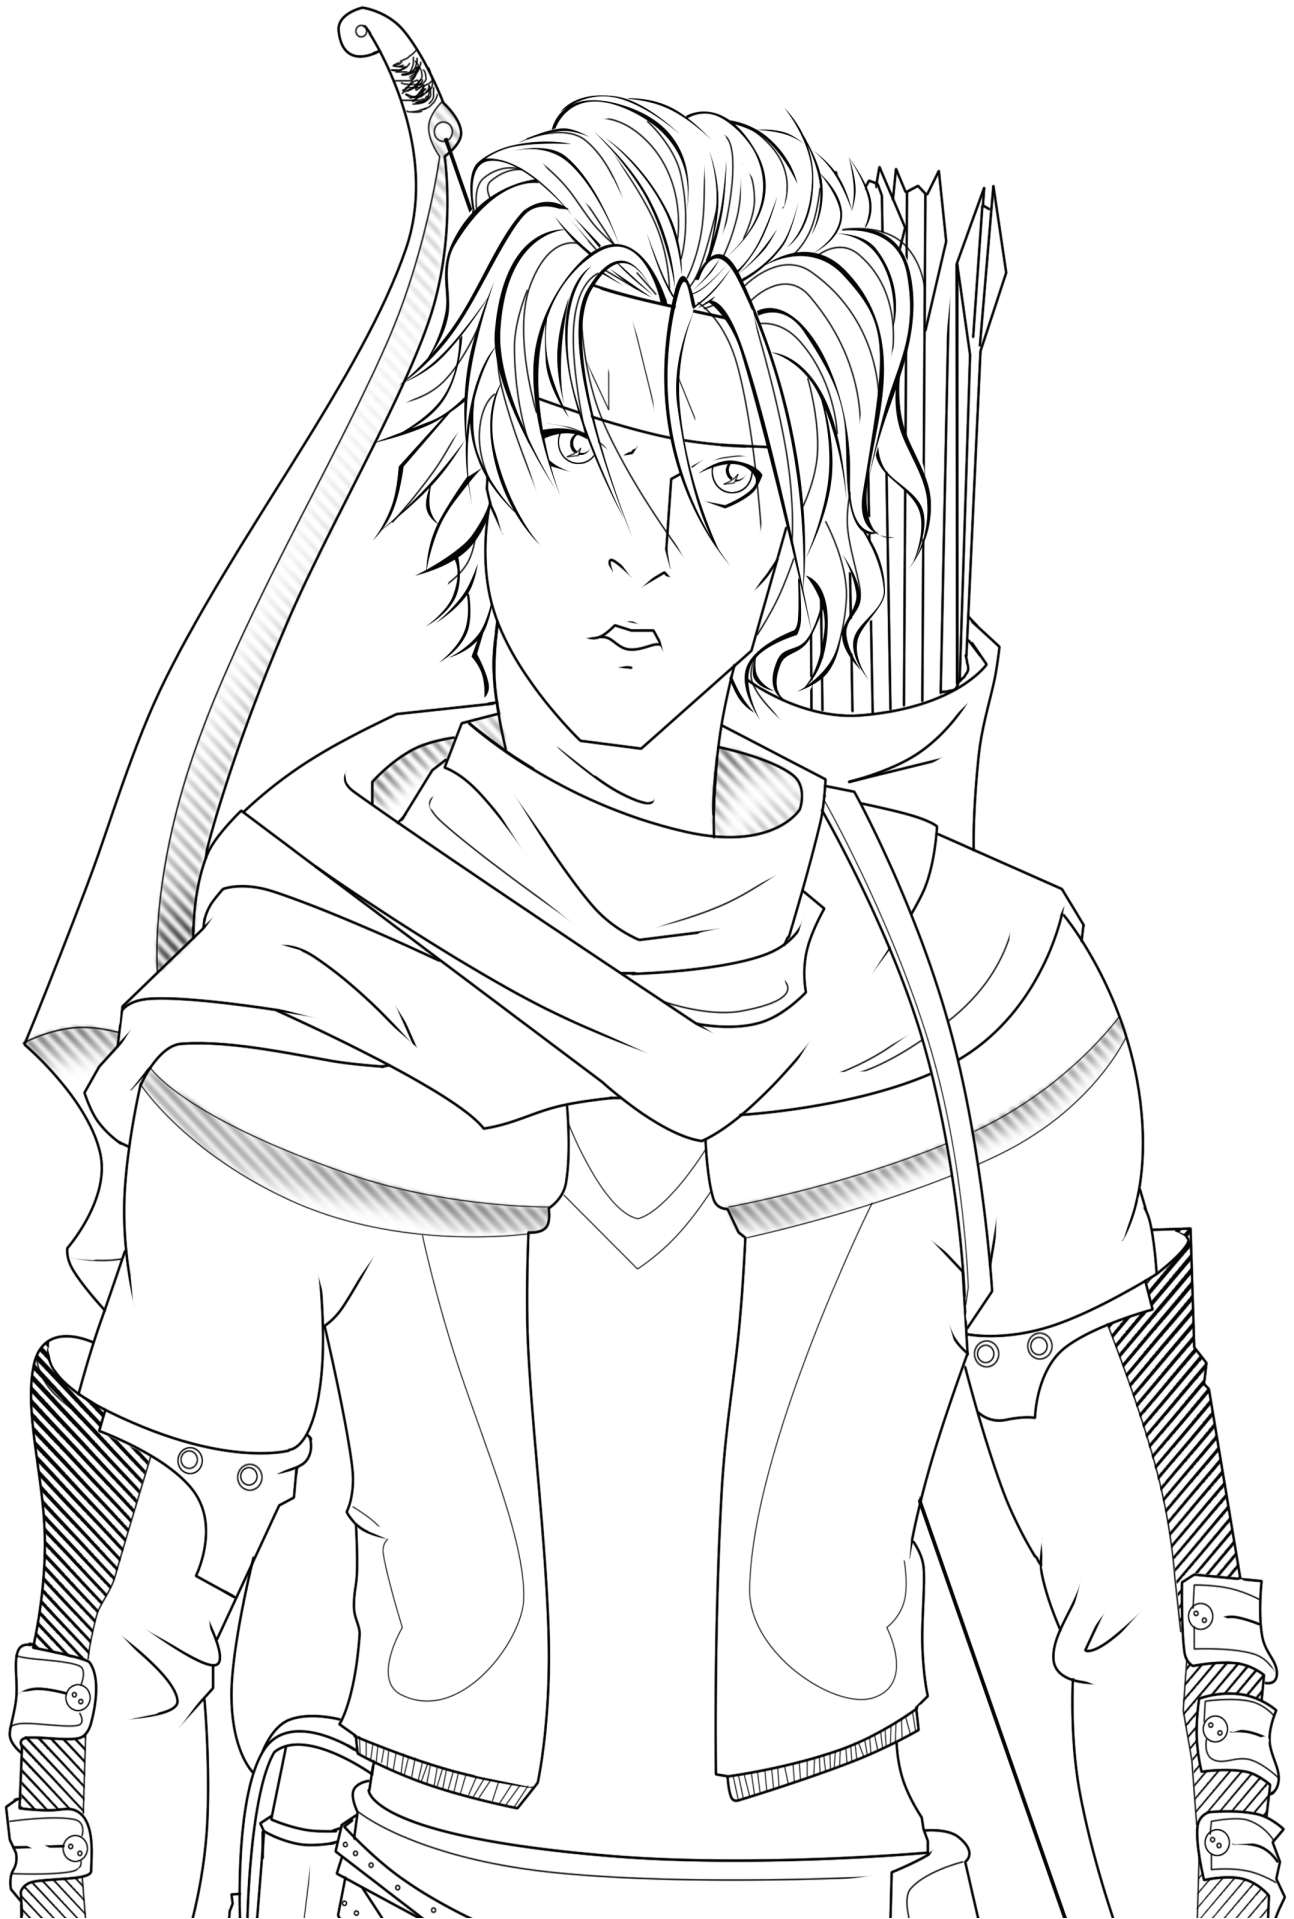

When Bud's teleportation device is stolen, he thinks he's having the worst week ever. Until he finds the eviscerated body of a monk from the Order of St. Michael, a special sect of the Roman Catholic Church that keeps evil spirits at bay.

# **CURSE OF THE ICE DRAGON**

**BY TARA WEST**

**When a young hunter is forced to flee the vengeful sky goddess's ice dragon, he must choose between the life of his brother and the fate of the girl he loves.**

# THE WITHERED ROSE

BY PENNY BROJACQUIE

Fighting against bioterrorism is dangerous.  
Fighting against your own blood can get you  
killed.

# **DHARMA LORD**

**BY DAMIAN BOYLE**

**An indebted ex-con. A lost siddha child. A galaxy on the brink of war.**

# **THE SLEEPLESS**

BY D.K. CASSIDY

**In 2111, no one in the Nation sleeps unless they  
earn it—the hard way.**

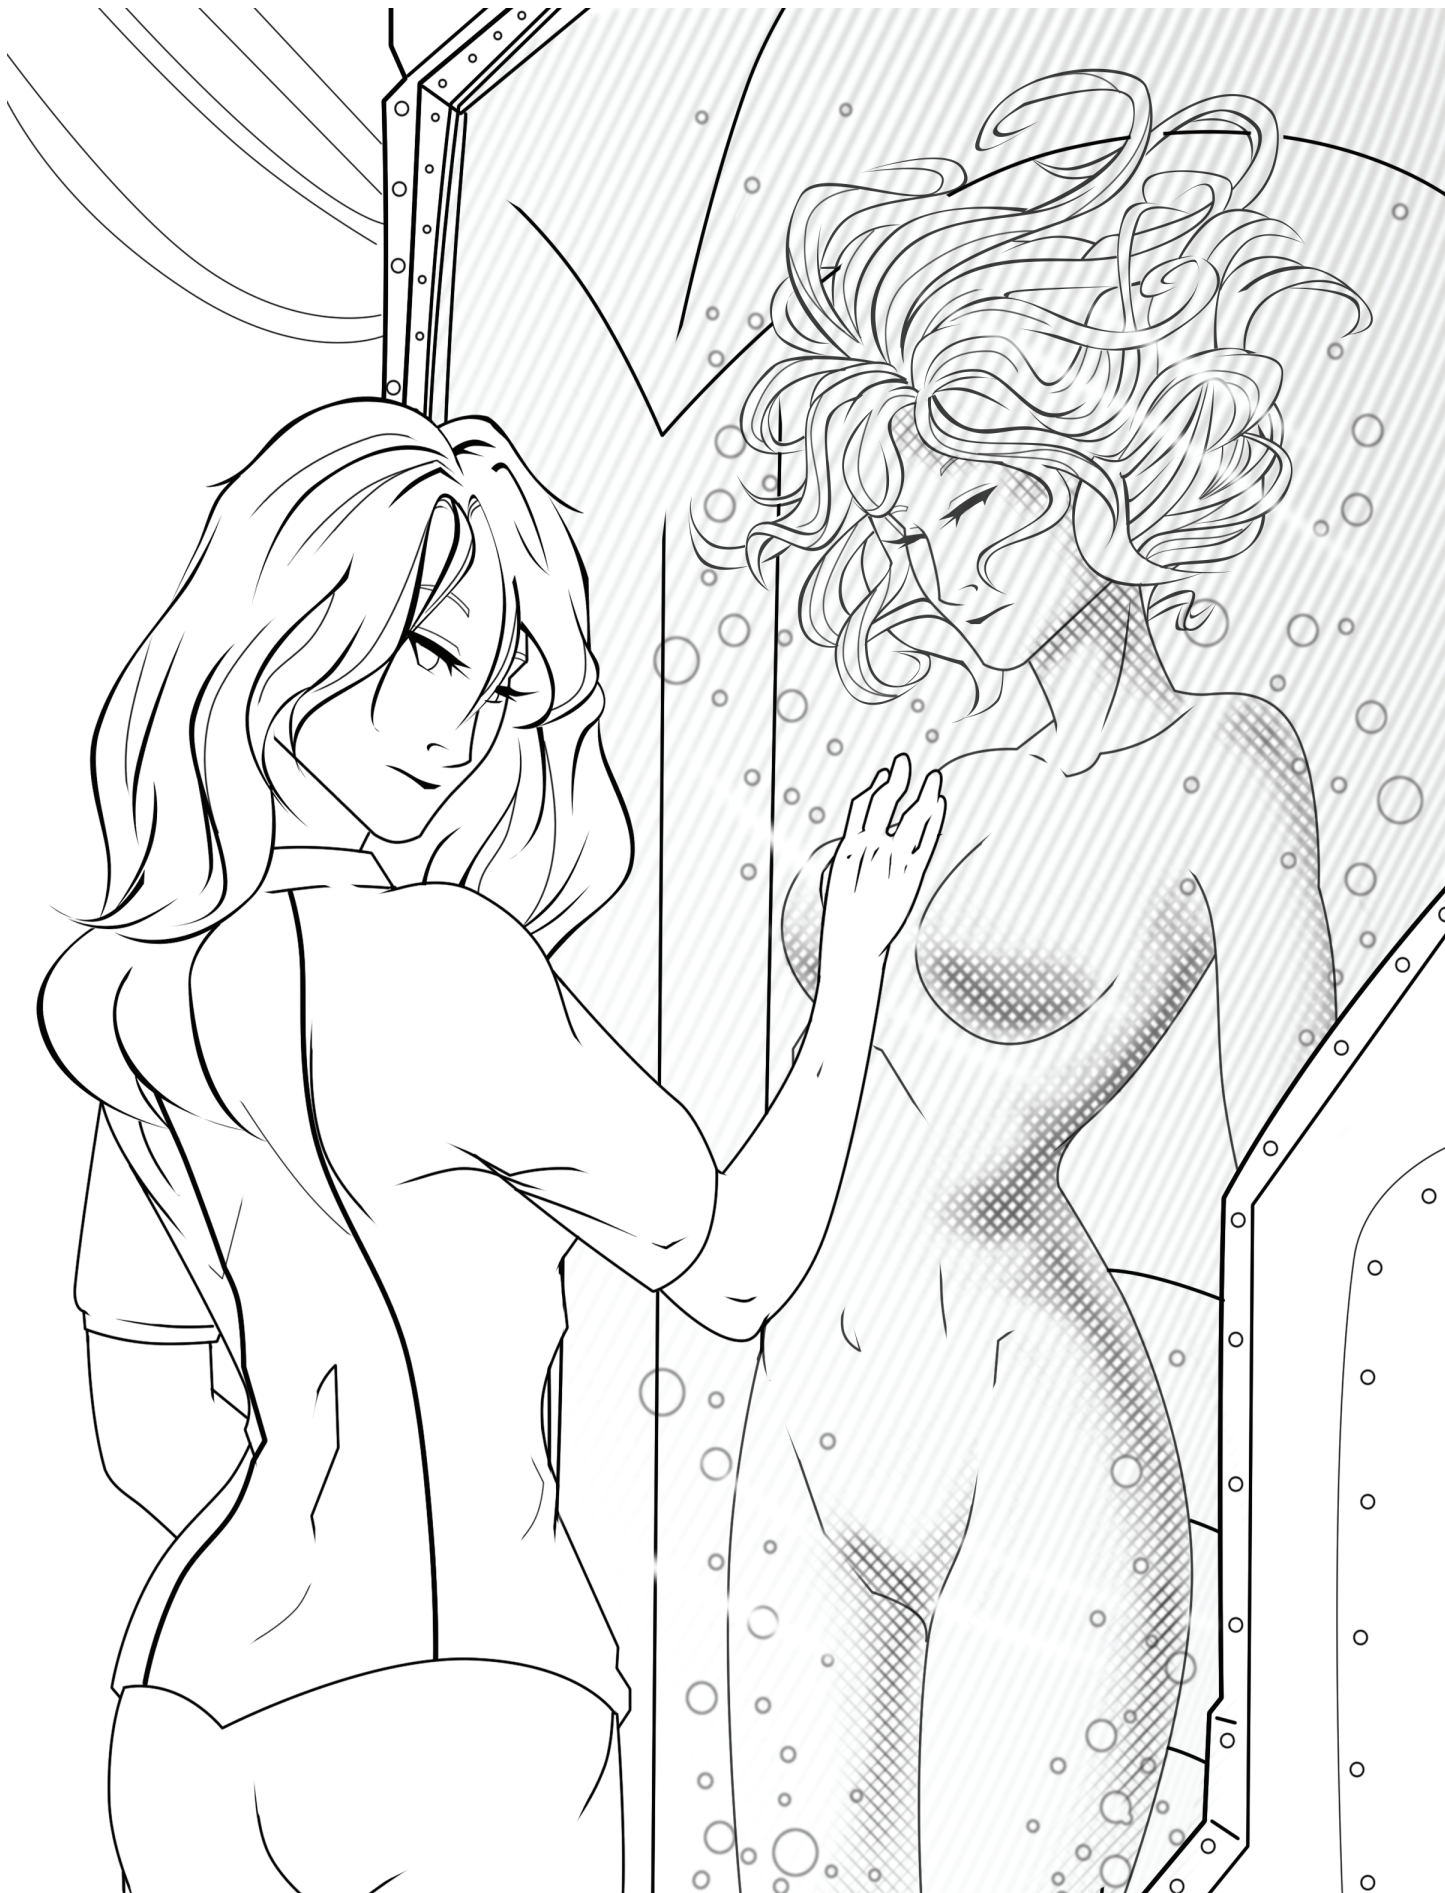

# REPLICA

BY KELLY HASHWAY

When a group of scientists decide to play God, an experimental town becomes something straight out of a nightmare.

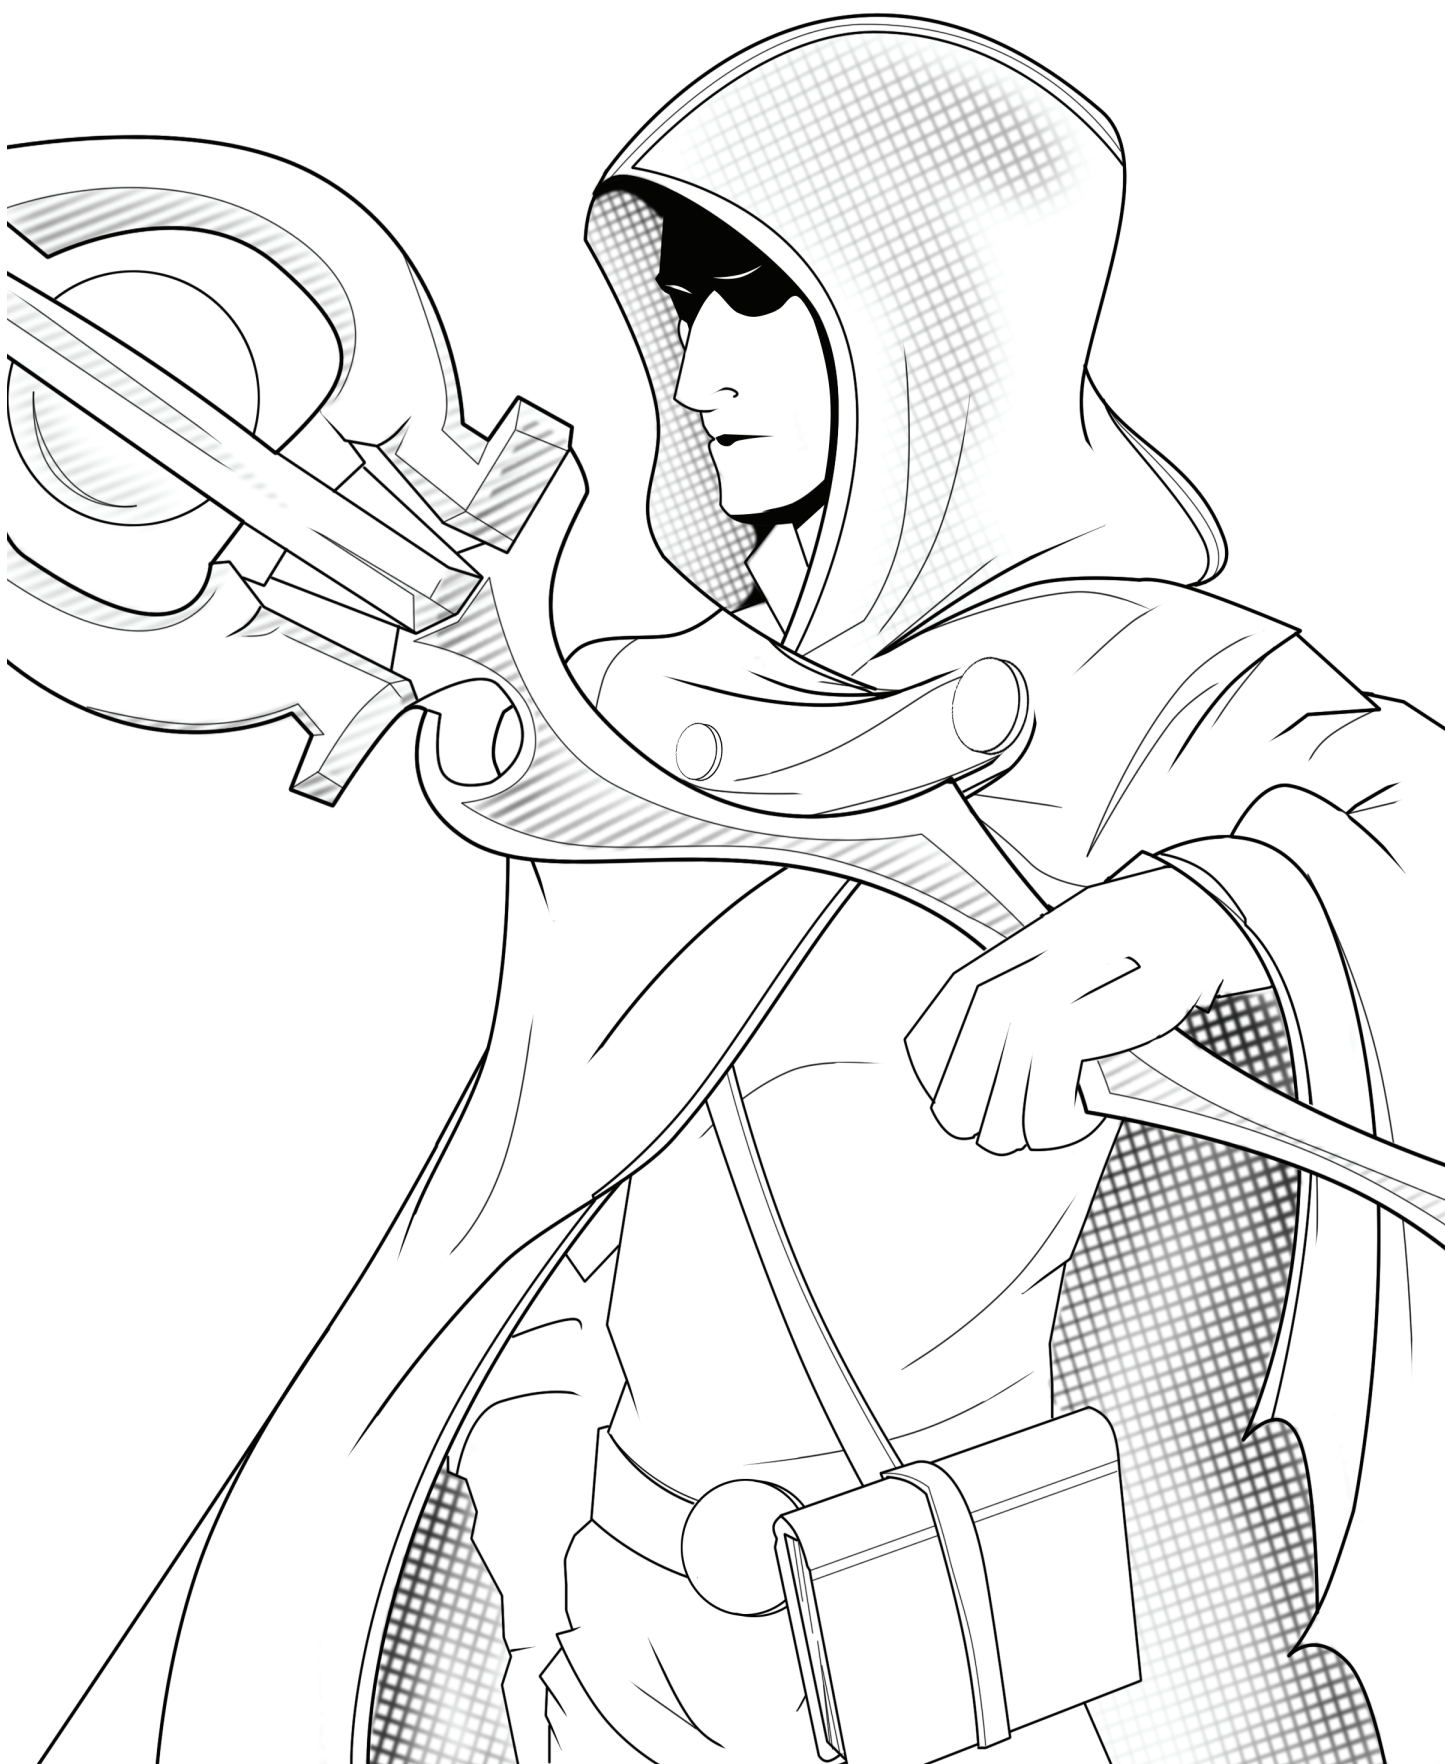

# THE PEOPLE'S NECROMANCER

BY REX JAMESON

Amidst the darkest days of antiquity, mankind  
discovers a new kind of hero.

# WHEN FATE ALIGNS

BY A.K. KOONCE

One beautifully lethal hybrid-vampire, one ordinary girl, and a twist of fate that threatens both of their lives...

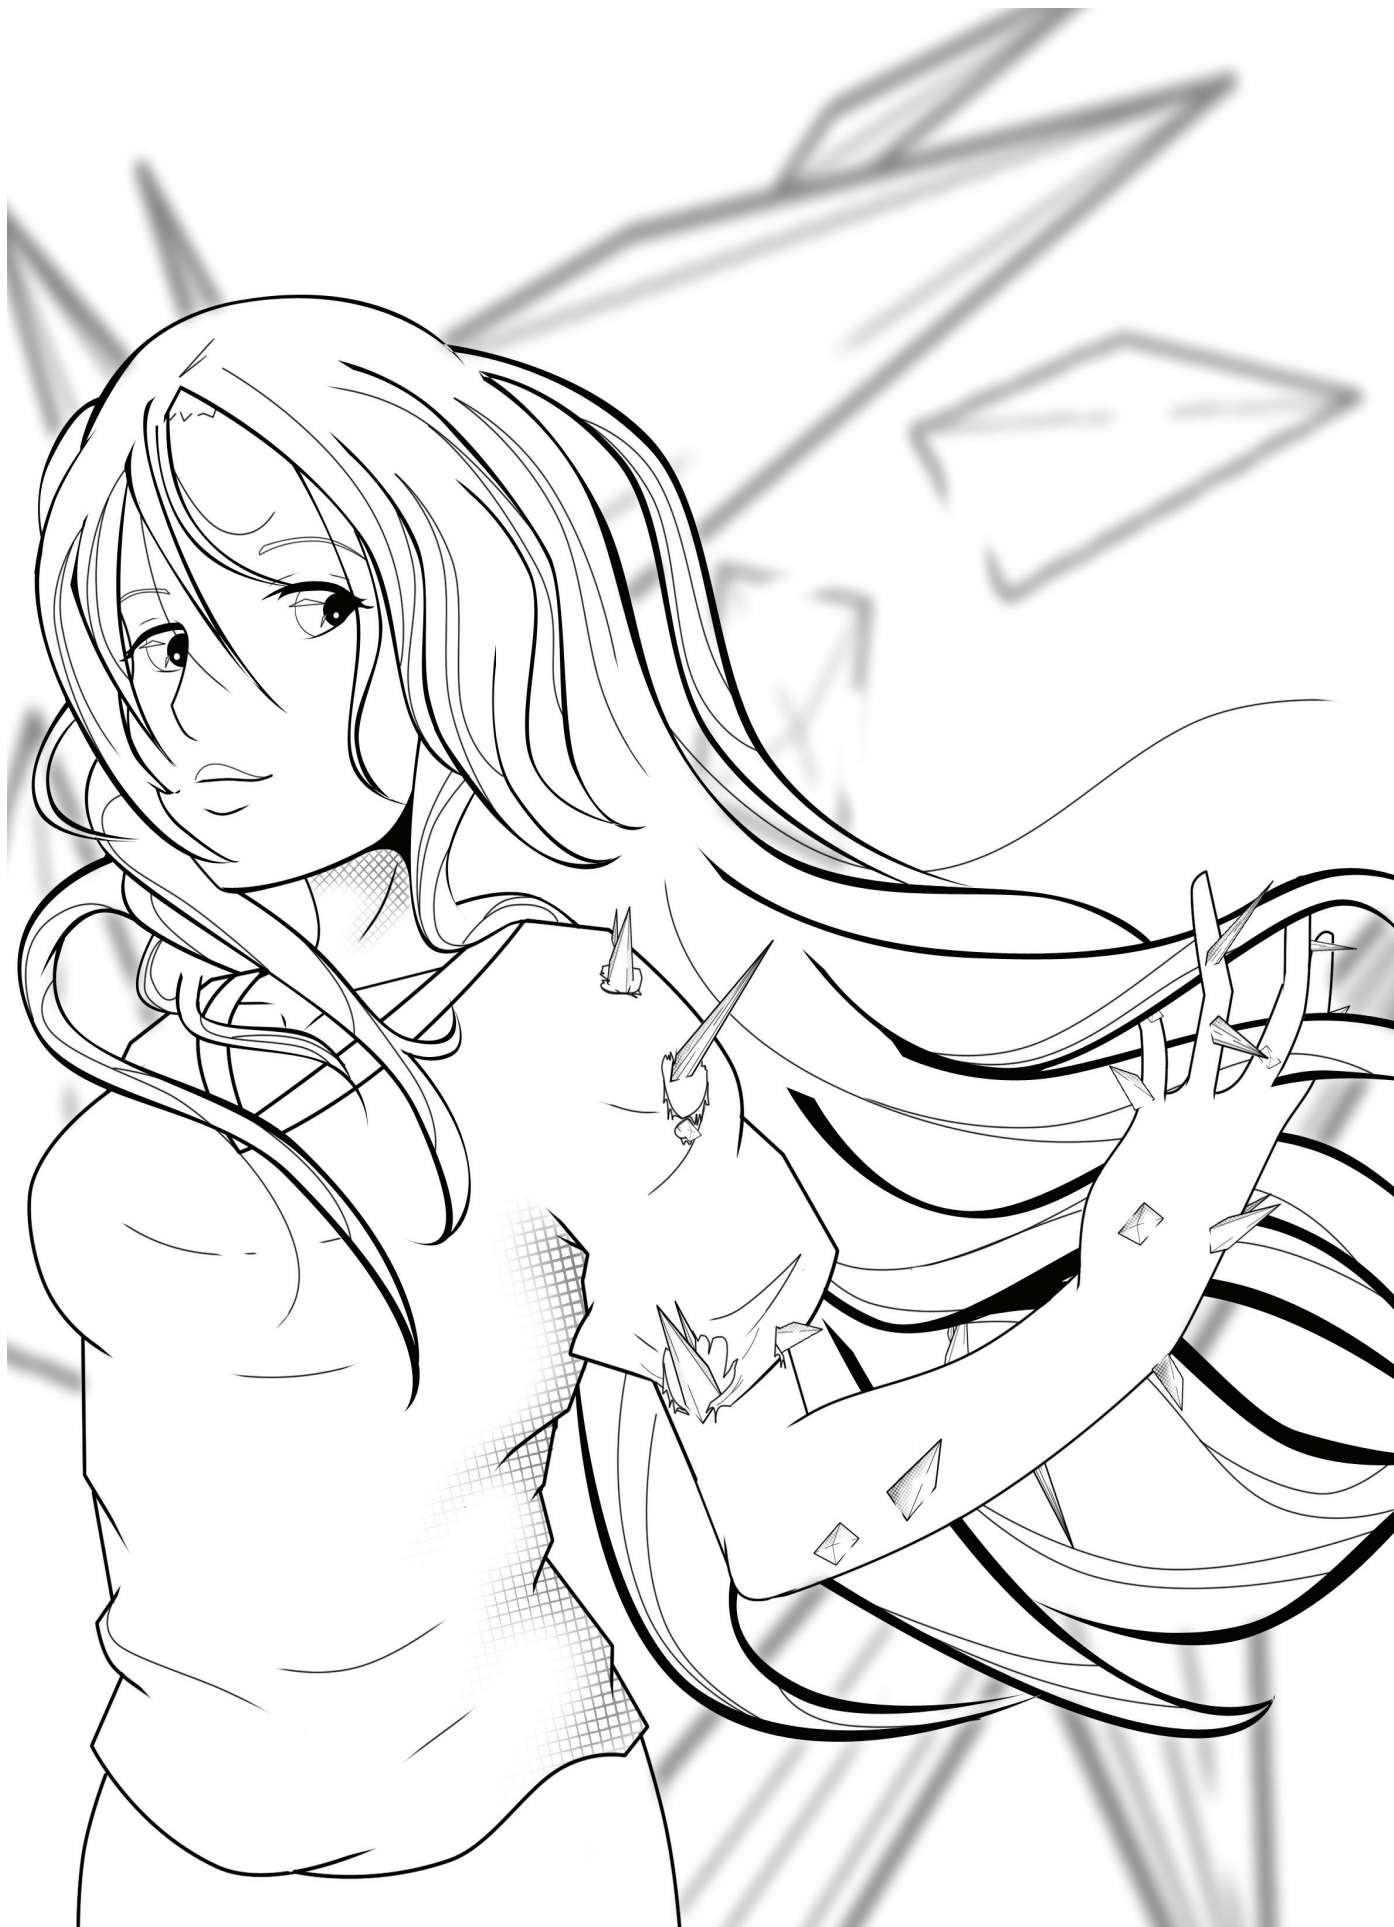

# INTERCROSSED

BY MILLY LY

When prince charming is the damsel in distress and the girl who saves him is the knight in shining armor. No one expects a near-death situation to save the day. But I somehow executed the task.

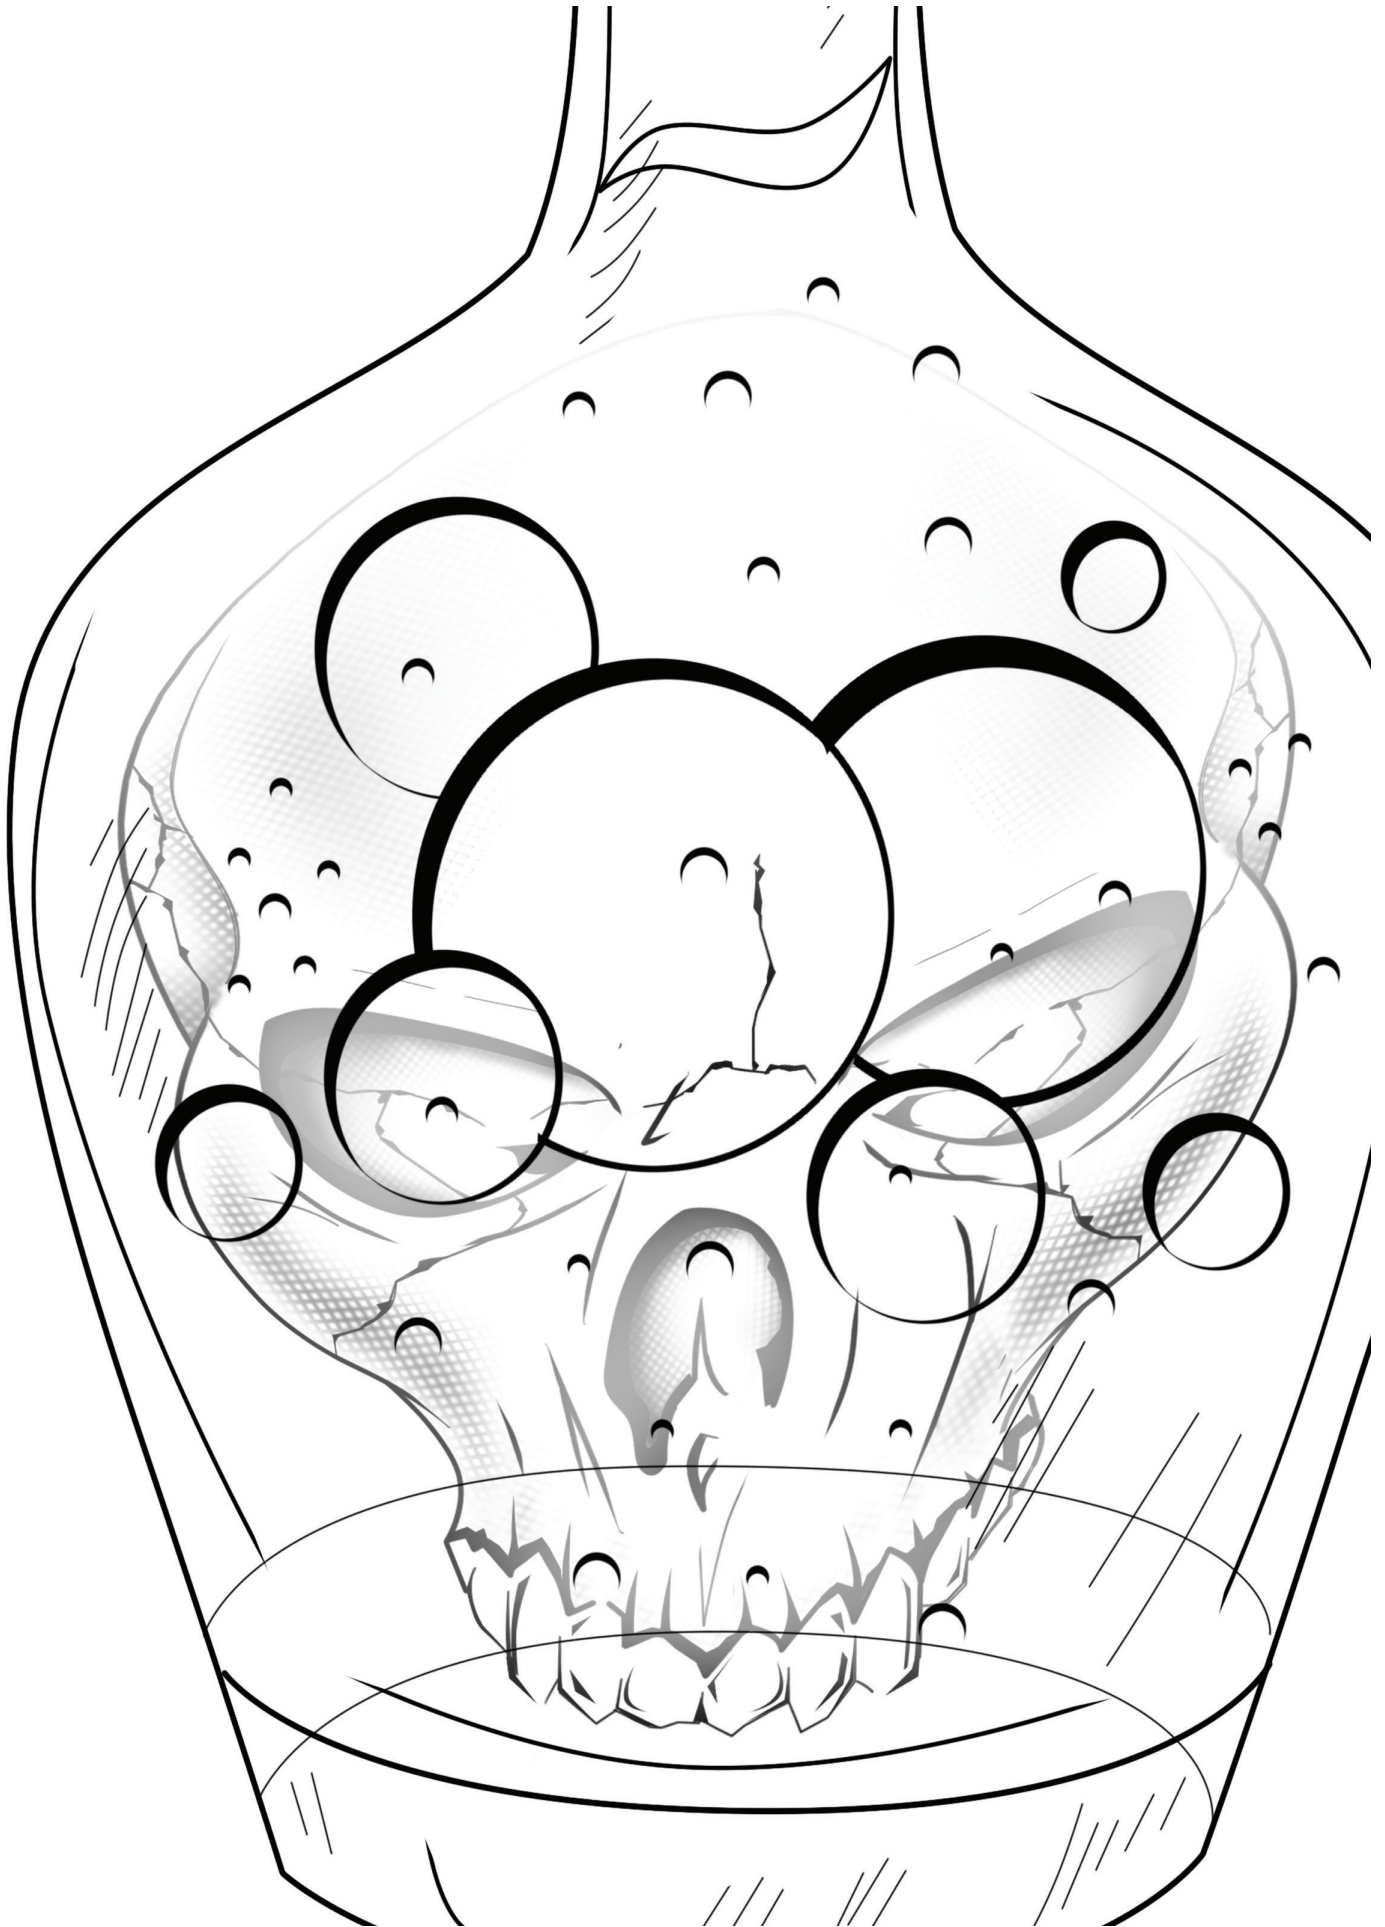

# PROJECT S.K.I.E

BY CAITLYN MANCINI

**The dark side of science can have unpredictable  
consequences: dangerous or extraordinary.**

# **DRAGONIA: RISE OF THE WYVERNS**

BY CRAIG A. PRICE JR.

**The Resistance struggles to find a way to defeat the Dragonia Empire. All hope seems lost against the dragonriders, until they discover an island full of wyverns.**

# SHADOWS OF KIEV

BY ELIZA TILTON

**Romeo and Juliet meets The Walking Dead  
in 9th century Kiev.**

# THE MARK OF NOBA

BY G.L. TOMAS

**Sterling Wayfairer discovers he shares a spiritual bond with the mysterious Tetra. They must work together to find a way to bring an end to all the sudden disappearances.**

# THE COVEN AT CALLINGTON

BY SHEREEN VEDAM

**A devout church guard and a fierce coven protectress team up to rescue a child, but old loyalties soon test their growing trust in each other.**

# THRIVE

BY JONATHAN YANEZ

The lies are comfortable.  
The truth is horrifying.
